

## TABLE OF CONTENTS.

---

	Page
ARNOLD-BEMROSE, H. H., Esq. Geology of the Ashbourne & Buxton Branch of the London & North-western Railway: Ashbourne to Crake Low. (Plates XVII & XVIII.) . . . . .	224
———. On a Sill and Faulted Inlier in Tideswell Dale, Derbyshire. (Plates XIX & XX.) . . . . .	239
———. On the Petrography of the Rocks of Congleton Edge . . . . .	556
BONNEY, Prof. T. G., & Miss C. A. RAISIN. On Varieties of Serpentine and Associated Rocks in Anglesey. (Plate XXIII.) . .	276
———, & the Rev. EDWIN HILL. Relations of the Chalk and Drift in Møen and Rügen . . . . .	305
BUCKMAN, S. S., Esq. Gravel at Moreton-in-the-Marsh, Gloucestershire. ( <i>Abstract.</i> ) . . . . .	220
CLOUGH, C. T., Esq., & Dr. W. POLLARD. On Spinel and Forsterite from the Glenelg Limestone (Inverness-shire) . . . . .	372
COLE, Prof. GRENVILLE A. J. On the Age of certain Granites in the Counties of Tyrone and Londonderry . . . . .	273
DAKYNs, J. R., Esq. The Limestone-knolls below Skipton and Grassington in Craven. . . . .	359
DAVID, Prof. T. W. EDGEWORTH, & E. F. PITMAN, Esq. On the Palæozoic Radiolarian Rocks of New South Wales. (Plates II-VII.) . . . . .	16
DONALD, Miss JANE. Remarks on the Genera <i>Ectomaria</i> , Koken, and <i>Hormotoma</i> , Salter, with Descriptions of British Species. (Plates XXI & XXII.) . . . . .	251
GARWOOD, E. J., Esq. Additional Notes on the Glacial Phenomena of Spitsbergen. (Plates XLI-XLVIII.) . . . . .	681
GIBSON, WALCOT, Esq., & Dr. WHEELTON HIND. On the Agglomerates and Tuffs in the Carboniferous Limestone Series of Congleton Edge . . . . .	548

	Page
GORDON, Mrs. See OGILVIE, Miss M. M. ....	560
GROOM, Prof. T. T. The Geological Structure of the Southern Malverns, and of the Adjacent District to the West. (Plates XIII-XV.) .....	129
HARRISON, Prof. J. B., & A. J. JUKES-BROWNE, Esq. The Oceanic Deposits of Trinidad (British West Indies) .....	177
HILL, the Rev. EDWIN, & Prof. T. G. BONNEY. Relations of the Chalk and Drift in Muen and Rügen .....	305
HILL, J. B., Esq. On the Progressive Metamorphism of some Dalradian Sediments in the Region of Loch Awe .....	470
HIND, Dr. WHEELTON. On Three new Species of Lamellibranchiata from the Carboniferous Rocks of Great Britain. (Plate XXV.)	365
———, & WALCOT GIBSON, Esq. On the Agglomerates and Tuffs in the Carboniferous Limestone Series of Congleton Edge ....	548
HINDE, Dr. G. J. On the Radiolaria in the Devonian Rocks of New South Wales. (Plates VIII & IX.) .....	38
———. On Radiolaria in Chert from Chypons Farm, Mullion Parish, Cornwall. (Plate XVI.) .....	214
HOLLAND, PHILIP, Esq. Analyses of Hauraki Rhyolites .....	467
JENNINGS, A. VAUGHAN, Esq. The Geology of the Davos District, Switzerland. (Plates XXVI & XXVII.) .....	381
JUKES-BROWNE, A. J., Esq., & Prof. J. B. HARRISON. The Oceanic Deposits of Trinidad (British West Indies) .....	177
KING, W. WICKHAM, Esq. The Permian Conglomerates of the Lower Severn Basin. (Plates XI & XII.) .....	97
MARR, J. E., Esq. Note on a Conglomerate near Melmerby (Cum- berland) .....	11
———. On Limestone-knolls in the Craven District of Yorkshire and Elsewhere. (Plate XXIV.) .....	327
MATLEY, C. A., Esq. On the Geology of Northern Anglesey ....	635
NEWTON, E. T., Esq. On the Remains of <i>Amia</i> from Oligocene Strata in the Isle of Wight. (Plate I.) .....	1
———. On a Megalosauroid Jaw from Rhætic Beds near Bridgend, Glamorganshire. (Plate X.) .....	89
———. Additional Notes on the Vertebrate Fauna of the Rock- fissure at Ightham, Kent. (Plate XXVIII.) .....	419
OGILVIE, Miss M. M. [Mrs. GORDON]. The Torsion-Structure of the Dolomites. (Plate XL.) .....	560
PARK, JAMES, Esq., & F. RUTLEY, Esq. Notes on the Rhyolites of the Hauraki Goldfields, New Zealand. (Plates XXXI- XXXIV.) .....	449

TABLE OF CONTENTS.

	Page
PARKINSON, JOHN, Esq. On an Intrusion of Granite into Diabase at Sorel Point, Northern Jersey. (Plates XXIX & XXX.) ..	430
PITTMAN, E. F., Esq., & Prof. T. W. EDGEWORTH DAVID. On the Palæozoic Radiolarian Rocks of New South Wales. (Plates II-VII.) .....	16
POLLARD, DR. W., & C. T. CLOUGH, Esq. On Spinel and Forsterite from the Glenelg Limestone (Inverness-shire) .....	372
RAISIN, Miss C. A., & Prof. T. G. BONNEY. On Varieties of Serpentine and Associated Rocks in Anglesey. (Plate XXIII.) ..	276
REED, F. R. COWPER, Esq. The Lower Palæozoic Bedded Rocks of County Waterford. (Plate XLIX.) .....	718
ROWE, DR. A. W. An Analysis of the Genus <i>Micraster</i> , as determined by rigid zonal collecting from the Zone of <i>Rhynchonella Cuvieri</i> to that of <i>Micraster cor-anguinum</i> . (Plates XXXV-XXXIX.) .....	494
RUTLEY, FRANK, Esq. On a Small Section of Felsitic Lavas and Tuffs near Conway (Caernarvonshire) .....	170
———, & J. PARK, Esq. Notes on the Rhyolites of the Hauraki Goldfields, New Zealand. (Plates XXXI-XXXIV.) .....	449
SALTER, A. E., Esq. On the Occurrence of Pebbles of Schorl-rock from the South-west of England in the Drift-deposits of Southern and Eastern England. ( <i>Abstract</i> .) .....	220
SEELEY, Prof. H. G. On the Distal End of a Mammalian Humerus from Tonbridge ( <i>Hemiomus major</i> ) .....	413
———. On Evidence of a Bird from the Wealden Beds of Ansty Lane, near Cuckfield .....	416
SOLLAS, Prof. W. J. Fossils in the University Museum, Oxford: I. On Silurian Echinoidea and Ophiuroidea .....	692
———. On the Occurrence of Sponge-spicules in the Carboniferous Limestone of Derbyshire .....	716
THOMPSON, BEEBY, Esq. Geology of the Great Central Railway: Rugby to Catesby .....	65
THOMSON, the late JOSEPH. The Geology of Southern Morocco and the Atlas Mountains .....	190
WATTS, Prof. W. W. On the Microscopic Study of some of the Rocks of Northern Anglesey .....	675

---

PROCEEDINGS.

Proceedings of the Meetings .....	i, lxxxiv
Annual Report .....	ix
List of Donors to the Library .....	xv

	Page
List of Foreign Members .....	xxv
List of Foreign Correspondents .....	xxvi
List of Wollaston Medallists .....	xxvii
List of Murchison Medallists .....	xxix
List of Lyell Medallists .....	xxx
List of Bigsby Medallists .....	xxxi
Applications of the Barlow-Jameson Fund .....	xxxii
Financial Report .....	xxxix
Award of the Medals and Proceeds of Funds .....	xxxix
Anniversary Address .....	liii

---

BATHER, F. A., Esq. On Pyramid-pebbles or 'Dreikanter' ..	xc
BAUERMAN, H., Esq. On the Gellivaara and Kiirunavaara Iron-ore Deposits .....	i
DAVIES, A. M., Esq. On Glauconitic Limestone from the Kimeridge Clay .....	lxxxvii
GEIKIE, Sir A. On Pseudo-fossils from the Silurian of Tipperary	ii
HINDE, Dr. G. J. On Devonian Rock-specimens from New South Wales .....	ii
SEELEY, Prof. H. G. On a Monotreme Footprint from the Trias of Stourton .....	lxxxix
STIFFE, Capt. A. W. On a Miocene <i>Cardium</i> (?) from the Makran Coast .....	vi
WALFORD, E. A. On some Ironstone Fossil Nodules of the Lias. ( <i>Title only.</i> ) .....	xcii
WOOD, J. G., Esq. On Fossil Oak from Chepstow .....	iv
